

- Worked out in **.net Framework technology**, adaptable and flexible to fit in with the most common applications of Windows.
- **Working on any Microsoft Windows platform.**
- Intuitive interface graphics suitable to be exploited on traditional PC or industrial touchscreen PC.
- Configurable to be exploited on the main models of weighing-machines, it combines with the customer's information (operation) system and with all Microsoft Office applications.

Main features:

- **AUW estimate and storage and AUW recall from file.**
- Connection of three weighing machines with different capacity.
- Integrated control of item , customers and packing.
- Recording (filing) of all weighing operations.
- Printing of the packing-list.
- Packing list export in pdf, word doc and excel format.
- Multi-position to work on a single database.
- Label printing by thermal transfer printer or by office laser printer.
- Suitable to be exploited on traditional PC or industrial touchscreen PC.
- **Possibility of connecting a laser scanner (reader) to recall automatically information about the item.**
- Possibility of using different database : Access, Sql Server, Oracle, etc.
- **It can be adapted to any requirements.**

The screenshot displays the AlpiPS software interface. At the top, there is a menu bar with icons for 'Funzioni', 'Archivi', 'Stampe', 'Operatori', 'Configurazione', 'Info', and 'Uscita'. Below this, a status bar shows 'Bilancia: BILA' and a weighing display with 'LORDO 2.500,0 gr', 'Stabile', 'NETTO 2.500,0 gr', and 'TARA 0,0 gr'. The main area is divided into two panes. The left pane contains a form for customer and supplier information, including fields for 'Codice cliente', 'Indirizzo', 'Nazione', 'Ragione sociale', 'Località', 'Codice fiscale', and 'Partita iva'. The right pane shows a printed label with various fields and barcodes, including 'Destinatario', 'N° documento', 'Prodotto (P)', 'Peso netto (Q)', 'Fornitore (Y)', 'N° etichetta (S)', 'Cliente', 'Albi Sistemi', 'Descrizione 1', 'Ref. logistica', 'ARTICOLO2', 'Data', and 'Lotto (D)'. At the bottom, there are icons for 'F6-Pesatura', 'F3-Tara', and 'F4-Lordo'. The footer contains the text 'Progressivo 28', 'Etichette: odette.lba -', and 'gio - 03 ott 2013 - 15:16:37'.
